Camp Philosophy

Operating since 2005, the staff at Double Play Baseball Camps takes pride in running a highly organized and fun-filled week of baseball for our campers. Double Play Baseball Camps builds upon the same skills and attitudes learned from the coaches during their Little League baseball season, from their school teams and from their teachers and family throughout the year. Our campers not only learn baseball skills, but also learn sports-manship, teamwork, and gain self-confidence.

Baseball Activities

Each summer we provide one-week sessions of baseball instruction for boys aged 6-15 where we will guide the campers through some of the following activities, all taught at varying degrees of difficulty based on each individual player's skill levels.

- Pitching Mechanics and Drills
- Hitting Mechanics and Drills
- Fielding Drills
- Base Running Skills
- Skills Competitions
- Daily Games
- Awards Ceremonies
